## ABOUT GOLF FOR HOPE

International Needs Canada is launching Golf for Hope, a new charity golf tournament supporting the Real Hope Safe House & Drop-In Centre in Nairobi, Kenya.

Real Hope offers safety, meals, educational support, counselling, and consistent care to children from extremely vulnerable circumstances, including street involvement and unsafe home environments. Through its drop-in centre and residential safe house, the program helps children move toward stability, dignity, and hope.

Golf for Hope is built to become an annual event where recreation and generosity meet real impact. We invite local businesses, organizations, and community leaders to help shape this new tradition from the ground up.
